Contract  
3/1/14*

Director Patterson,

I am writing to inform you of my intention to pursue other interest which will require that I terminate my contract for services with ODOT. It is with some sadness that I do so. I have greatly enjoyed the opportunity to work with the department and the navigation industry developing many lifelong friends in the process. However, I do not believe I would be able to provide you the services you need and deserve while pursuing this new direction.

Per our contract, please receive this as a 30 day notification of my intention to terminate contract as of April 1, 2014.

Again, thank you for the opportunity you have provided for me to work with you and your team. Please know that even absent a contract, I am always happy to help you in accomplishing your mission. It is so vitally important to the future of this state. The leadership provided by you and the team have moved Oklahoma light years ahead from a transportation standpoint. I expect only better things to come from your leadership in the future.

Todd Hiatt
